

**Pembroke Diocesan Council of the Catholic Women's League of Canada**  
**Fall Meeting, October 30, 2021, Oral Report**  
**Karen McKibbon, Resolutions**

CWL members can promote a world of justice and peace and we can now become involved again, now that we are able to meet in our CWL groups. Each member makes a difference by adding her "voice and support to this national sisterhood of Catholic women who promote awareness and respond to political and social issues that affect all Canadians".

**Any resolutions that have been prepared in 2021, will be deferred to 2022.**

Deferring resolutions that move through the different levels gives the opportunity to allow for the participation of CWL members.

**Contact elected members of government, locally Cheryl and John, to let them know your concerns when you take an interest in a piece of legislation.** Sophie

Chatel is now the MP for the Pontiac, and

André Fortin, Member of the National Assembly for Pontiac,

For Hastings Lennox and Addington the MP is Shelby Kramp-Neuman, and the MPP is Daryl Kramp.

Go to the bills being introduced by the Federal and Provincial members and read through these bills. **We can look to previous resolutions that may need to be updated with newer information and references.**

Your own voice can make a difference in the world and in our CWL League.

My deepest admiration goes today to CWL members of our Lady of Fatima who will share with you their resolution today.

Well done, well researched and congratulations !!!
